Every haunt should have a Fire Safety Plan on site and all crew/staff should be trained and familiar with the safety plan. To join our haunt community go to www.HiTechHaunts.com or text HITECHHAUNTS to 44222. You can begin building your plan by receiving safety downloads, check lists, tips, discounts and freebies! Although Hi Tech Haunts is not responsible for the safety of your haunt, we can provide materials to make it easier for you to create a safety plan for your attraction.
